## Children's Awareness Month

June is derived from the Latin word "Jun-Ven-Is" which translates youth.

Therefore, June is set to remember and embrace the health and well-being of children.

**Children are the future of our nation!**

### 5 Facts About Young Children Everybody Should Know

#### **Children and domestic violence**

About 15.5 million U.S. children have witnessed domestic violence.

#### **Poverty is the culprit**

Globally, children are more likely to end up in orphanages because of poverty than parent loss.

#### **Empowering children is crucial**

Child empowerment has been proven to spark creativity and make kids healthier.

#### **Abuse and neglect**

In 2019, an estimated 1,840 children died as a result of abuse and neglect

#### **Orphanages and developmental delays**

Children who stay in orphanages for a longer period may experience social developmental delays.

### **Ginger Earnest**

Ginger has been a part of the team since March 1st, of this year, and says it's been a fun adventure every step of the way. She had known about Options for a long time, but something was sparked in her after hearing more from Kendra and Leah during their mission trip last summer. After that Ginger started praying about how she could get involved. Now, here she is! She expresses it's been a joy to be a part of this mission.

Ginger is the Assistant Executive Director/Operations Manager. Whether it's organizing, planning, or pitching in behind the scenes, she loves being part of what keeps things running smoothly.

Being a part of OFW has been a joy to her. However, she shares it's opened her eyes and heart more to the power of hope, support, and faith in action. She's growing personally and spiritually; and is thankful to work/serve with a great team.

### **Krista Armstrong**

Krista's oldest boys first began helping with unloading the food pantry shipments. Then in 2024 she had been praying for a place to get the family involved in serving. In talking to Kendra, she found out there was need at Options for help with cleaning. Her and her kids then began volunteering cleaning every other week. In September of 2024 Krista then started to work part-time and also assist in a class. She helps with various different tasks around the office, as well as, helping with the rebranding of the marketing materials and websites.

It has been encouraging to Krista to see people truly living out as the hands and feet of Christ. Being a part of Options has been a blessing in so many ways. From working alongside an incredible group of people. To loving on and encouraging those who walk through the doors.
