Board Member Spotlight

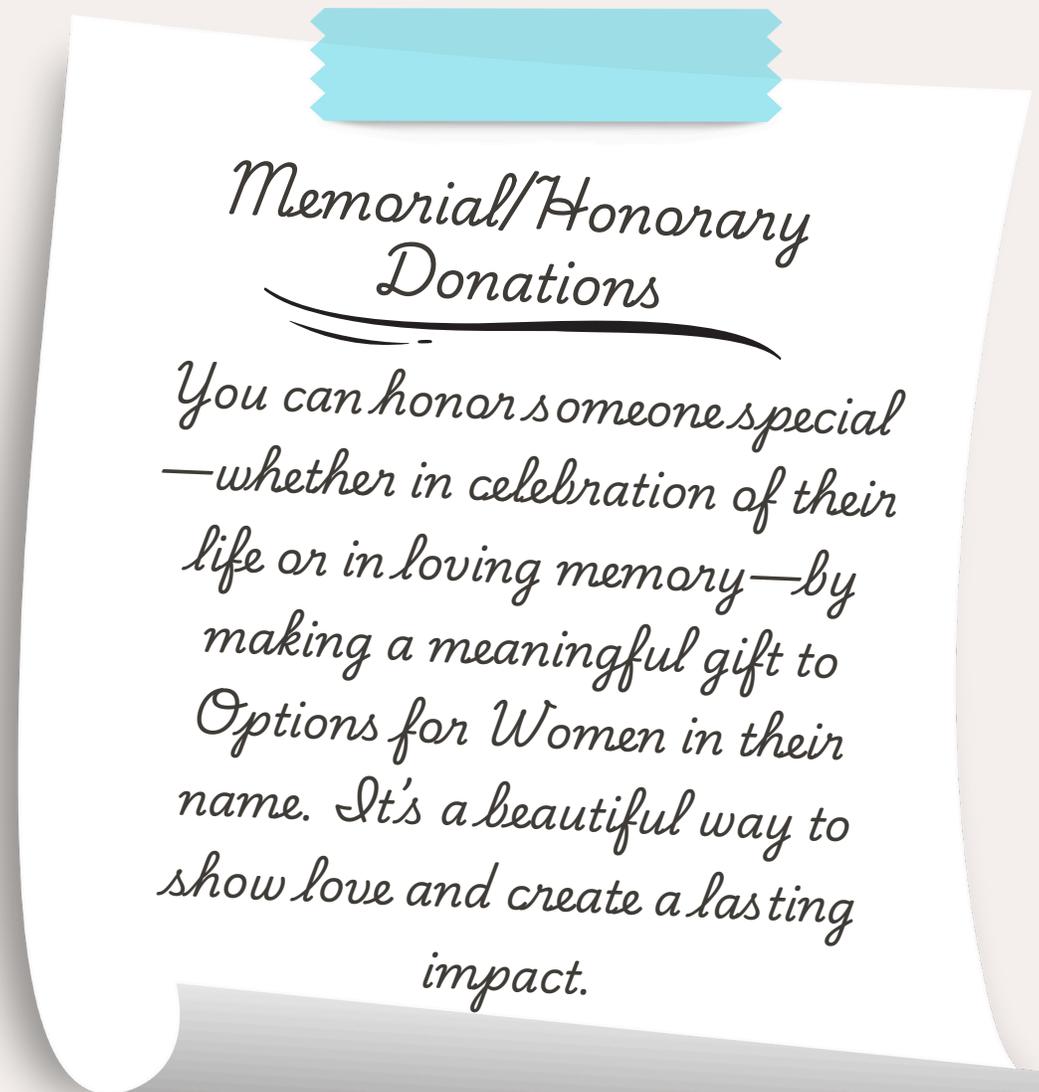

Jaime Holloway

Jaime was accepted as a board member in September of 2022. She was approached by a former board member about serving in the ministry. This individual was aware of Jaime's miracle child born at 25 weeks, of her stillborn loss in 2012, and her deep commitment to the Lord. Due to her her pro-life belief and life experience, this individual believed she would be an asset to Options.

Jaime currently serves as a board member. She has also presented, along with two other mothers of infant loss, at the fall Weathering the Storm infant loss retreat.

Jaime believes the Lord has a plan for each of our lives and is in complete control of every situation. Through her pain and suffering she has felt called to help other mothers through their grief and recovery, and to serve the Lord however He calls. OFW provides that opportunity as well as, so many services to the expectant mother, abortion minded, and post-abortion patients. The ministry gives options, services, and resources to the community, and she is thankful to be a small part of God's beautiful plan. Jaime says, OFW is truly a safe place to land. With God walking alongside, and OFW, no one is alone in this life journey. She is truly blessed to give of her time, talents, and treasures to this ministry.

Seven Weeks Coffee

Don't forget, by purchasing coffee through the link below you'll also support Options for Women!

WHEN COFFEE BECOMES A TOOL FOR LIFE.

At a pregnancy center in Duncan, Oklahoma, something remarkable is happening. Sitting next to the ultrasound machine at the Charis Center is a simple jar of coffee beans.

Why? Because **at 7 weeks, a baby is about the size of a coffee bean.** And when a mother sees that visual, right next to her baby's heartbeat on the screen, everything becomes real.

That tiny moment has changed lives. It's helped moms pause. Reflect. **And choose life.**

This is the mission behind Seven Weeks Coffee. Every order supports pregnancy centers like Charis, funding life-saving ultrasounds and the moments that help moms choose life.

With your help, we've donated over \$1 million to the pro-life movement. And stories like this are why we'll never stop.

Every cup counts. Every heartbeat matters.
